To Whom it May Concern,

It is my pleasure to recommend Stewart Kiely for the CPC60220 – Advanced Diploma of Building and Construction (Management).

I am Jessica Ellis, and I am a Director at TaylorEllis Architecture. I have known Stewart for several years, and I have gotten to know him quite well. During our time working together, Stewart has shown me what a hardworking individual he is.

While working alongside Stewart, I got to learn his strengths, talents, and skills. I was particularly impressed with Stewart's project planning & construction planning abilities. His attention to detail and diligence is fantastic.

If you have any questions about Stewart's abilities or experiences with me, please contact me.

I am more than happy to further discuss why I can confidently say he will make a good fit for this course.

Sincerely,

Jessica Ellis
